In July 2018 LCDR WHOEVER began a Full-Time Outservice ACGME Accredited WHATEVER fellowship at I'm the Best University, Cincinnati, Ohio.

- Recognized by her Program Director as "Top of her fellowship class" receiving accolades for her management of workload cases, peer education, and early research project initiative.
- Lauded for her collegiality among staff physicians, nurses, technologists and residents, she received the second highest overall marks ever received in this program during 360 reviews.
- Performed over 700 procedures as compared to the fellow norm of 500 procedures, and demonstrated both proficiency and superior surgical expertise, second to none in her program.
- Gained the skills and knowledge needed in treating complex patients with WHATEVER disease as a bridge to transplant.
- With continued dedication to the enhancement of WHATEVER - she has 3 articles under review and 1 article accepted for production in peer-reviewed journals. Additionally is serving as the lead investigator in 2 WHATEVER research protocols.
- A staunch advocate for mentorship and continuing education, she presented at 4 grand rounds and invited lectures in civilian and military venues.

LCDR WHOEVER continues to impress and excel in every setting. She demonstrates the highest knowledge and skills to serve as a clinical subspecialist, teacher and medical department leader.
