R = Total Residency Goal (Including Incumbent Interns)  
F = Fellowship Goal

GME positions listed are projections and subject to change according to operational and manning requirements.  
Release from Active Duty (RAD) to NADDS selections will be considered per reference (b) for specialties with "YES" in the RAD to NADDS row.

\* RAD to NADDS opportunity for Plastic Surgery is for the Integrate Plastic Surgery Residency pathway

\*\* Neurosurgery PGY-2 training opportunity is dependent on current PGY-1 trainee pipeline.

\*\*\* Total number of authorized training starts is reflected in Encl (3); both medical students and individuals who have completed any PGY-1 year may apply
