

**COURSE SYLLABUS**

**Program:** Opticianry **Effective Date:** 28 June 2021

**Course:** OPTS 1349 Ophthalmic Laboratory II **3 Semester Hours**

**Description:** This course presents practical training using formulas and techniques to surface single vision and multi-focal lenses. Topics include calculation or use of computer software programs to determine information used in conjunction with optical lens equipment, and instruments used to block, generate, fine, polish, de-block, and inspect semi-finished lens blanks.

**Context:** **Prerequisites:** Good Academic Standing.

**Repeatable:** This course is not repeatable for credit.

**General Education:** This course does not satisfy general education requirements of the CAHS.

**Design:** This course is designed with a Traditional Laboratory format.

**Outcomes:** Students will be able to:

1. Complete prescription information on surface laboratory worksheet.
2. Determine the base curve selection for prescriptions and select lens blanks.
3. Calculate prism amount and angle, and center thickness of lenses.
4. Calculate back curves to be generated in lenses.
5. Generate lenses using optical lens equipment to include blocker, generator, finer and polishers, and de-blocker.
6. Verify lenses for compliance in accordance with ANSI Z80.1 standards.

**Assessment:** Outcomes will be assessed through a variety of mechanism including:

1. Performance examinations
2. Progress checks

**Instruction:** This course will adhere to the following **Outline of Instruction**.

- A. Prescription Information and Surface Worksheet
- B. Base Curve and Lens Selection
- C. Prism Amount and Angle
- D. Center Thickness
- E. Back Curves
- F. Fabricate Prescription using Surface Equipment
- G. Lens Inspection

**Material:** All required textbooks will be provided to students.

**Schedule:** The course will proceed per the following schedule:

Outcome	Topic	Evaluations
1	A	Performance examinations, Progress checks
2	B	Performance examinations, Progress checks
3	C – D	Performance examinations, Progress checks
4	E	Performance examinations, Progress checks
5	F	Performance examinations, Progress checks
6	G	Performance examinations, Progress checks

**Course Policies:** The following policies apply to the TOPS Campus.

**Grading Policy** – Letter grades with modifiers are assigned as defined below for CAHS programs.

Letter	Score	Grade Points
<b>A</b>	<b>90-100</b>	<b>4.00</b>
<b>B</b>	<b>80-89</b>	<b>3.00</b>
<b>C</b>	<b>70-79</b>	<b>2.00</b>
<b>D</b>	<b>60-69</b>	<b>1.00</b>
<b>F</b>	<b>&lt;60</b>	<b>0.00</b>

All students must achieve a final cumulative average of 70% to successfully complete the course.

Definitions of abbreviations used in the grade sheets/transcripts beyond the traditional A, B, C, D, F letter grade, consist of the following:

Grade	Description
<b>I</b>	Incomplete. The grade of “I” is issued when the student has not completed the course requirements, such as taking the final examination, submitting required assignments or required course work, completing required hours within a practicum or internship. The grade of “I” is assigned <u>only</u> with the approval of the Dean or designated Official according to school policy. The course director must make a recommendation in writing to the Dean, or designated representative, with a copy to the Registrar, as to how and by what date the temporary “I” grade will be converted to a permanent grade. Failure to fulfill the stipulated requirements by the specified date, unless an extension is granted by the involved course director and approved by the Dean, will result in conversion of the “I” grade to a grade of “F”. The temporary grade of “I” must be changed to a permanent grad prior to graduation. Per USU Instruction 6025C, a grade of “I” may be given with the interruption of academic duties due to temporary disability.
<b>W</b>	Withdrawal. The grade “W” is used when a student withdraws before the course session is complete. Per USU Instruction 6025, a grade of “W” may be given with the interruption of academic duties due to temporary disability.

**Student Grievance/Appeal** – The purpose for the Student Appeal Process is to provide a mechanism for objective internal review of faculty and staff actions or School Committee decisions. This Review Process may be utilized by students enrolled in courses in the College of Allied Health Sciences who believe these decisions resulted from inequitable and/or

discriminatory decision-making procedures or processes. The wisdom of a decision cannot be grieved. Only the process that is believed to be inequitably applied, within the referent group, can be grieved. Implicit in this process is the need for the cooperation, openness, and good faith of all parties involved.

Students who wish to appeal a grade, may request to do so in a written letter to the Associate Dean and using the CAHS Student Grievance/Appeal form. The student will have no more than ten (10) business days to grieve or appeal a grade decision in writing. All other appeals processes are outlined in the specific program Student Evaluation and Administration Plan (SEAP). All CAHS replies to the student will be in writing, and copies of the grievance/appeal including all directly related correspondence will be maintained by the Associate Dean.

The decision of the Dean is final and cannot be appealed.

**Attendance** - Students are expected to be in attendance at all times. Students who miss more than 24 hours/3 class (training) days may be subject to non-academic relief. Students are required to make up any absent time, missed classroom notes, assignments, and examinations.

**Uniform** – Uniform of the day for all military personnel is the uniform required of each respective service.

**Cell Phones** – Use of a personal cell phone within the classroom is prohibited.

**Lunch** – All students will be afforded a reasonable opportunity for lunch as indicated in the supplemental course agenda. All students are encouraged to eat lunch.

**Restrooms** – Restroom breaks are provided once each hour. However, students have the latitude to take bathroom breaks as may be necessary. Selection of restrooms for usage by the student will be selected according to TOPS Policy.

**Food and drink** – Food allowed in the classroom at the discretion of the instructor. All drinks must be in a leak proof container.

**Trash** – Trash receptacles are provided at the rear of the classroom. Students will ensure trash is emptied daily or as often as needed.
