Subj: MILITARY TROPICAL MEDICINE RECOMMENDATION ICO LCDR XXXX

1. Subject named officer is in compliance with physical readiness and body fat standards and meets requirements for transfer.
2. LCDR XXXX is strongly recommended for the Military Tropical Medicine Course. Upon graduation from our RAM program, LCDR XXXX will be billeted in austere environments in INDOPACOM in charge of the health of over XX active duty Service members. The knowledge, skills and attitudes gained through the MTM course will allow LCDR XXXX to prevent, diagnose and treat tropical infectious diseases in her area of responsibility to ensure the best health of our Service members overseas.
