Legend

-  Command, NMOTC
-  Detachments, Training Institutes
-  Training Centers (e.g., Aviation Survival Training Center (ASTC), Hospital Corpsman Trauma Training (HMTT), Navy Trauma Training Center (NTTC) & Training Navy Trauma Center (UPENN))

NMOTC BY THE NUMBERS

OVERVIEW

- 103 Facilities with 761 authorized staff on 20 Navy and Marine Corps bases and Civilian Institutions.
- 66 Courses of Instruction
 - 15 accredited Programs
- Hyperbaric Medicine
 - "First and only US Navy Chamber accredited by UHMS"
- Hospital Corpsman Trauma Training (HMTT) Program (4 Sites)
- Training Navy Trauma Center – Philadelphia (UPENN)
- DoD's only Repatriated Prisoner of War Center
- International students from over 24 countries
- Quota manager for operational short courses
- Dental Hygiene Program Management

FY-21 IMPACT

- 14,391 Aviation Survival students
- 2,043 Operational Medicine students (incl HMTT)
- 29,237 Aeromedical Waivers
- 6,070 Aviation Selection Test Battery
- 10,418 Aeromedical Physicals/Consults
- 2,223 Chief of Naval Air Training (CNATRA) Flight Training exit surveys
- 1,127 Naval Aviation (NASC) Preflight Indoctrination (API) exit surveys

Naval Aerospace Medical Institute (NAMI)

Mission: Train aeromedical personnel for operational assignment and requirements. Develop, validate, apply and administer aeromedical standards for Naval Aviation. Provide aeromedical technical, professional and consultative support services and operational support for high-risk training in the Pensacola AOR via recompression chamber watch.

Location: Pensacola, FL

Robert E. Mitchell Center (REMC) for Repatriated Prisoner of War (RPOW) Studies

Mission: The Mitchell Center provides annual clinical evaluations and conducts follow up studies of RPOWs from Vietnam, Desert Storm and Operation Iraqi Freedom, in order to evaluate the mental and physical effects of captivity and delineate the predictors of repatriate resilience.

Location: Pensacola, FL

1. Previously performing over 200 RPOW evaluations annually (in-person evaluations paused for COVID precautions, with recent return to in-person evaluation). RPOWS from all services (and State Department) eligible.
2. Congressional seed funding provided in 1995 to establish REMC as a RPOW research center, the Program of which is executed per DoDI 3002.03.
3. Singularly holds all longitudinal data, starting in 1973, for tri-service RPOW physical and psychological evaluations (48 years).
4. Funding required for digitization of medical and archival data to ensure policy compliance (OMB, M-19-21, Transition to Electronic Record) and development of database for robust research efforts.

Naval Aerospace Medical Institute (NAMI)

Courses of Instruction:

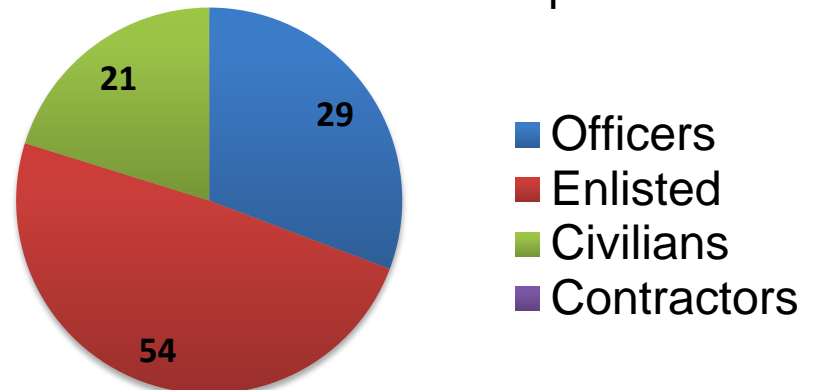

1. SAR Medical Tech/L00A
2. Aerospace Medicine Technician/L04A
3. Aerospace Physiology Technician/L07A

Courses of Instruction:

1. Aerospace Medical Officer
 - Aerospace Medicine Flight Surgeon
 - Aerospace Operational Physiologist
 - Aerospace Experimental Psychologist
 - Aerospace Optometrist
 - Aeromedical Physician Assistant
 - Naval Aviation Medical Examiner
2. Residency in Aerospace Medicine
3. Flight Surgeon Refresher Training
4. Flight Medic Course
5. Joint Enroute Critical Care (Ft. Rucker)

Authorized Manning: 122 Onboard 114

Includes Ft Rucker (JECC) & Wright Pat (Air Force School of Aerospace Medicine)

Naval Expeditionary Medical Training Institute (NEMTI)

Mission: Navy Medicine's elite readiness training institute, for Expeditionary Medical Facilities, Expeditionary Resuscitative Surgical Systems, Tactical Combat Casualty Care, Marine Corps and Fleet Surgical Teams. Delivering advanced trauma training, ensuring readiness of medical personnel supporting the warfighter.

Locations: Camp Pendleton, CA and Los Angeles, CA

Naval Expeditionary Medical Training Institute (NEMTI)

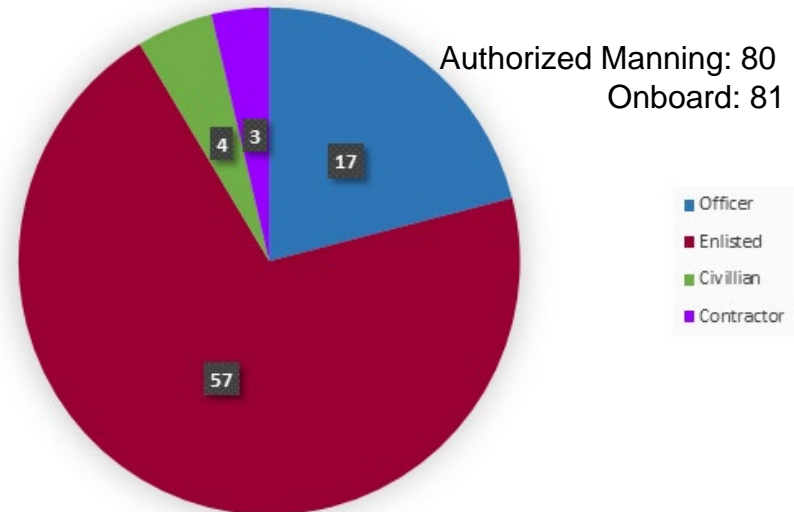

NEMTI Courses of Instruction:

1. Expeditionary Medical Facility training and ORE support
2. Expeditionary Resuscitative Surgical Systems (ERSS) course
3. Navy Trauma Training Center clinical course
4. Tactical Combat Casualty Care (TCCC) program Manager for BSO-18
6. Preventive Medicine FDP MU support

Navy Trauma Training Center Courses of Instruction:

1. Advanced Surgical Skills for Exposure in Trauma (ASSET)
2. Israeli Defense Force surgical training conducted at NTTC

Training team augments LA County+USC staff in the care of critically ill/injured patients when off student rotations.

Naval Special Operations Medical Institute (NSOMI)

Mission: Educate and train the full spectrum of United States Special Operations Command (USSOCOM) combat medics through superior teaching and instruction based on educational goals and curriculum development that is synchronized with the requirements of the force

Locations: Fort Bragg, NC

Naval Special Operations Medical Institute (NSOMI)

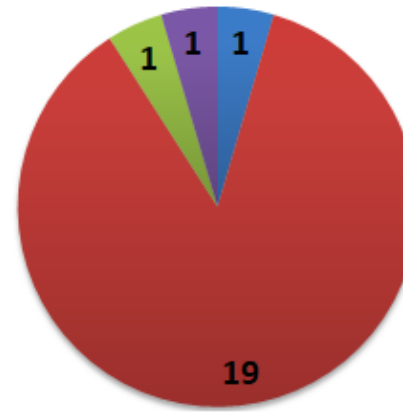

Courses of Instruction:

1. Special Operations Combat Medic/092A
2. Special Operations Independent Duty Corpsman/L02A

Courses of Instruction:

1. Special Operations Combat Medical Skills Sustainment Course.
2. Special Forces Medical Sergeant / SOIDC Refresher

Authorized Manning: 22 Onboard 18

- Officers
- Enlisted
- Civilians
- Contractors

Naval Survival Training Institute (NSTI)

Mission: To provide safe, effective, and relevant aviation survival and human performance training as the execution arm of the Chief of Naval Operations-mandated Naval Aviation Survival Training Program.

Locations: Patuxent River, MD; Norfolk, VA; Cherry Point, NC; Jacksonville, FL; Pensacola, FL; Miramar, CA; Lemoore, CA; Whidbey Island, WA

Naval Survival Training Institute (NSTI)

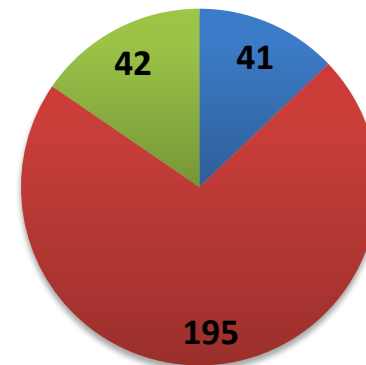

NEC Courses of Instruction:

1. Naval Aviation Water Survival Instructor (NAWSTI-NEC 806A)

Courses of Instruction:

1. Aircrew Refresher NASTP Training x4
2. Aircrew Initial NASTP Training x4
3. Non-aircrew NASTP Training x4
4. Non-aircraft Specific NASTP Training x7
5. Naval Aerospace Operational Physiologist Internship Program
6. NAWSTI – NEC 806A

Authorized Manning: 278 Onboard 261

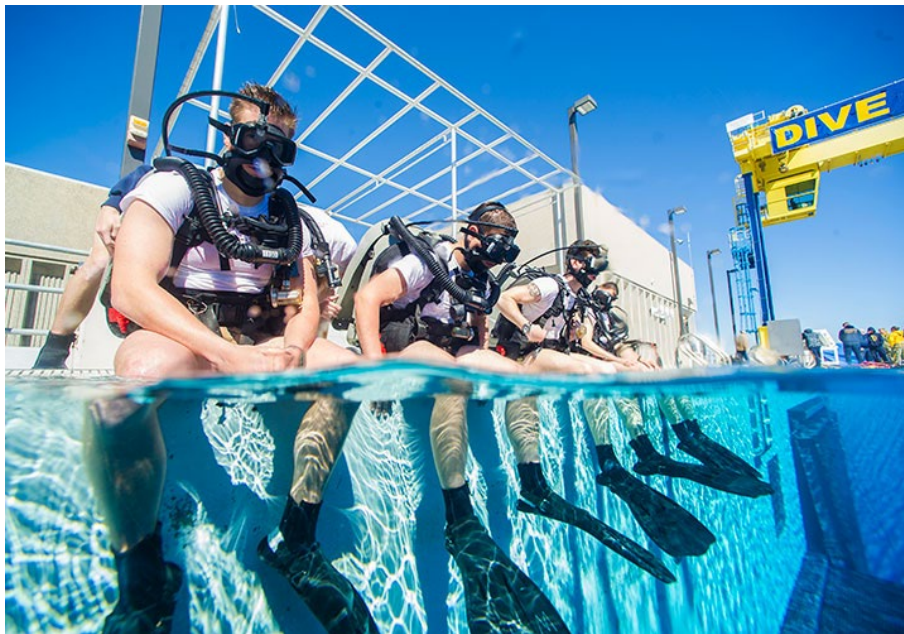

- Officers
- Enlisted
- Civilians
- Contractors

Naval Undersea Medical Institute (NUMI)

Mission: Training detachment for Undersea Medical Officers, Radiation Health Officers, Radiation Health Technicians, Submarine Force Independent Duty Corpsman, Radiation Health Indoctrination, Submarine Force Independent Duty Corpsman Refresher Training and Undersea Medical Officer Refresher Training.

Location: Groton, CT

Naval Undersea Medical Institute (NUMI)

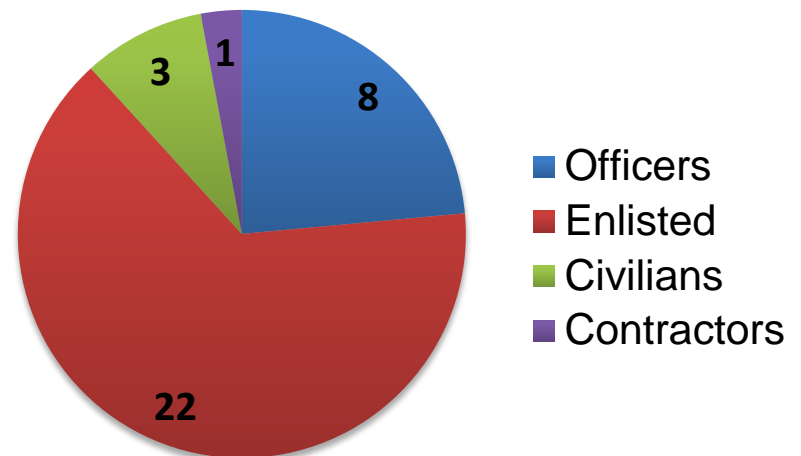

Courses of Instruction:

1. Submarine Force IDC/HM-L01A
2. Radiation Health Tech/HM-L05A
3. IDC Common Curricula HM-L10A

Courses of Instruction:

1. Undersea Medical Officer
2. Radiation Health Officer
3. Radiation Health Indoc Course
4. IDC Refresher Training
5. UMO Refresher Training

Authorized Manning: 34 Onboard 30

Surface Warfare Medical Institute (SWMI)

Mission: Support the Department of Defense by developing Navy healthcare professionals with the Character, Competence, and Connections required for global assignments in a variety of operational platforms.

Location: San Diego, CA

Surface Warfare Medical Institute (SWMI)

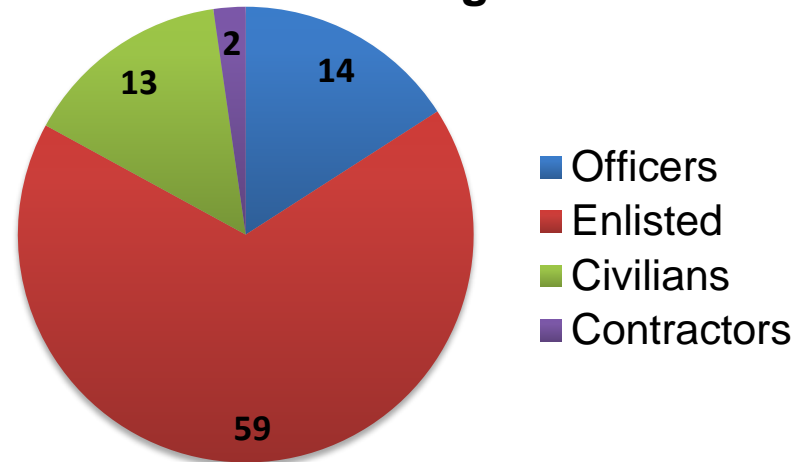

Courses of Instruction:

- Surface Force Independent Duty Corpsman (SF/Dive IDC-L10A)
- Dive Independent Duty Corpsman (SF/Dive IDC-L28A)
- SF-IDC Refresher Training (REFTRA)
- Navy Drug and Alcohol Counselor School (NDAC/Intern-700D)
- Inter-service Physician Assistant, Phase II (IPAP)

Fleet Support Courses:

- Surface Force Medical Indoctrination Course (SFMIC)
- Surface Warfare Medical Officer Indoc Course (SWMOIC)
- Surface Warfare Medical Depart Officer Indoc Course (SWMDOIC)
- Medical Regulating (MEDREG)
- Dental Operational Force Management Training Course (DOFMT)
- Commander Amphibious Task Force Surgeon (CATF Surgeon)

Authorized Manning: 88 Onboard 82

Hospital Corpsman Trauma Training (HMTT) / Training Navy Trauma Center Philadelphia (UPENN)

Mission: To provide enhanced, real-world trauma **experience** for Navy hospital corpsmen, who provide advanced life-saving care to Sailors and Marines in the field through innovative partnerships with private-sector health systems.

Locations: Chicago, IL; Cleveland, OH; Jacksonville, FL; Raleigh, NC; Philadelphia, PA
