

Surface Warfare Medical Institute

Physician Assistant Students:

Congratulations on your orders to Surface Warfare Medical Institute, the Navy's Phase II of the Interservice Physician Assistant Program. SWMI is located in Building 14 on the Naval Medical Center San Diego compound. We work hand-in-hand with NMCS staff as well as civilian medical staff at Scripps and Sharp hospitals to provide an excellent learning environment for our students.

All students with orders to SWMI must report to PA Admin, on the 1st deck, room 117, Monday thru Friday 0800 to 1430, or SWMI Admin, on the 2nd deck, room 213, 0730 to 1600. After hours, check in at the quarterdeck, 1st deck, room 106. If no one is available in building 14, check in at NMCS quarterdeck, 1st deck, building one.

E-mail: anna.kapustina.mil@mail.mil

Here is some information that will be helpful during the relocation process:

<http://www.med.navy.mil/sites/navmedmpte/nmotc/swmi/Pages/WelcomeAboard.aspx>

http://www.med.navy.mil/sites/nmcsd/Staff/Documents/WelcomeAboard_NMCS 2010.pdf

For those interested in getting into military housing, please utilize the CNIC website at:

<http://www.cnic.navy.mil/SanDiego/FleetAndFamilyReadiness/HousingAndLodging/FamilyandUnaccompaniedHousing/index.htm>

When applying for housing you need to provide a copy of your orders, Page 2 showing all dependents and a completed form [DD1746](#). The CNIC website also has information on temporary lodging as well. **Please note that geographic bachelor housing is no longer available to students.** All students will receive basic allowance for housing and need to find residence other than the barracks.

If you are a single military member (you have no dependents), email HM1 Williams, two months prior to PCS so a DLA letter from the gaining command can be generated and sent to member (only applies for E-6 and below).

If you have any questions or concerns please let your class leader know so he/she can get in contact with us. Again congratulations and welcome aboard.
