Updates: 58,800+ DoD personnel supporting COVID relief

- **U.S. Northern Command** is responsible for DoD's support of COVID-19 efforts with approximately 10,900 people deployed, including nearly 1,300 medical personnel. This includes over 700 medical providers working alongside civilian counterparts in New York City-area hospitals.
- 46,000+ members of the **National Guard** are supporting response efforts at their governors' direction.
- The **U.S. Army Corps of Engineers** has 64 FEMA Mission Assignments totaling \$1.8 billion (28 open / 36 closed), with 2,500 personnel engaged and more than 750 deployed in support of COVID-19 response operations. USACE has assessed 1,154 sites for use as Alternate Care Facilities (ACFs) and awarded 37 ACF construction contracts to add 15,066 beds to the Nation's healthcare system. 32 of these 37 ACFs are complete.
