1. **Purpose.** To announce the availability of loan repayments under the Health Professions Loan Repayment Program (HPLRP) to qualified health professionals currently on active duty for fiscal year 2021 (subject to availability of funding), and to provide information concerning eligibility and application procedures.

2. **Scope and Applicability.** Applies to active duty officers in the Navy Nurse Corps (NC).

3. **Background.** The HPLRP is an accession and retention incentive program within the Armed Forces Health Professions Financial Assistance Programs. The HPLRP is a means to assist eligible personnel in the repayment of qualified loans in exchange for an obligated period of active duty. Reference (a) establishes the HPLRP and designates responsibility for the program to the Secretaries of the various military departments. Reference (b) includes Department of Defense policy and guidance for the active duty HPLRP. Reference (c) delineates the number of available NCs contracts and specifies the maximum allowable rate per contract. Reference (d) establishes policies and procedures to administer special pays for Navy Medicine and reference (e) provides current fiscal year guidance for medical department special pays.

4. **Definitions**
   
   a. **Active Duty Health Professional.** Any regular active duty officer in the Navy NC.

   b. **Qualified Loans.** Government or commercial loans for the actual costs paid for tuition, reasonable educational expenses, and reasonable living expenses relating to the attainment of a baccalaureate of science in nursing.
5. **Eligibility Requirements for Applicants**

   a. Must be a commissioned officer on active duty in the NC.

   d. Must have 3 years of commissioned service but less than 12 years of total active duty service (enlisted and officer service combined) by 30 September 2021. NC officers currently in a full-time duty under instruction status or under a duty under instruction obligation can apply for HPLRP, but the service obligation for each will be served consecutively.

   e. Questions should be directed to the NC point of contact noted in subparagraph 10a.

No portion of the active duty obligation for HPLRP will be fulfilled by prior active service. Code.

11. Application Review Process and Selection Notification

   b. As it is likely there will be many more requests for enrollment in the HPLRP than available awards, the selection process will be very competitive. The administrative selection board will be governed by a precept approved by Chief, BUMED. The criteria listed in subparagraphs 11b(1) through 11b(3), while not encompassing all details of the precept, will be considered by the administrative selection board in making approval recommendations:

(1) Potential for future naval service and leadership.
(2) Individual assignments, including operational assignments (past and future).

(3) Individual accomplishments and awards.

c. Individuals will be notified of their selection for enrollment in the HPLRP by 31 May 2021. Selected individuals will receive a contract for the HPLRP from Personnel, Plans, and Special Pays (BUMED-M131) delineating the obligations of all parties by 4 June 2021. The original signed contract must be returned to the Navy Medicine Accessions Program Manager (Attention: HPLRP), Bureau of Medicine and Surgery Detachment Bethesda, 8901 Wisconsin Avenue, Bethesda, MD 20889-5611, by close of business 11 June 2021. BUMED-M131 will coordinate loan repayments with the appropriate lending institution(s) for those officers signing HPLRP contracts.
