Civilian Access to Care for New Pediatric Patients

The Pediatric Clinic at Naval Medical Center Camp Lejeune is at full capacity and currently does not have space available for new patients.

In order to ensure that your child continues to receive the medical care that he/she needs, please refer to the list of civilian pediatric clinics on Page 3. At the time of this publication, the civilian clinics listed on Page 3 will accept TRICARE and are accepting new patients. Visit www.tricare.mil to find other providers outside the 40-mile radius of Marine Corps Base Camp Lejeune.

NOTES:

a. If you fail to enroll in DEERS, you will be responsible for all costs from the day your child is 91 days old. Coverage will not be backdated.

b. Only sponsors can add family members to DEERS.

c. If both parents are service members, choose one to be listed as your child’s sponsor in DEERS.

d. You do not need a Social Security number to register your child in DEERS, but you will need to update DEERS at the ID Card Center with the child’s Social Security number. Call first to see what documents you need.

2. Active Duty - Your child will automatically be enrolled in TRICARE Prime when enrolled in DEERS. TRICARE coverage is backdated to date of birth as long as one other family member is enrolled. Visit www.tricare.mil to choose a TRICARE health plan.

3. Retirees - Your child is NOT automatically enrolled in a TRICARE plan when you enroll in DEERS. You have 90 days from the date of your child's birth to enroll him/her in a plan. Visit www.tricare.mil to enroll and choose a TRICARE health care plan.
