

USNH Okinawa Formulary

1. This formulary lists medications that are currently available at USNH Okinawa Camp Foster. However, changes may be made without prior notification. For updates on a specific medication, please contact the pharmacy at 646-WELL or from Off-Base 098-971-WELL. Not all medications listed will be carried at the Branch Health Clinic Pharmacies. Please contact the clinic in advance to check on medication availability.
2. USNH Okinawa and Branch Health Clinics only stock FDA approved generic medications when available.
3. **OTC Program:** Eligible patients are entitled to three OTC medications per patient per month. Patients must not be less than two years of age, pregnant, or on flight status. Eligibility is limited to active duty, retirees, and dependents. Further restrictions may apply for children less than six years old.
4. **Non-Formulary Medications:** To request a medication that is not on Formulary enter SPECIAL DRUG REQUEST as the medication. In the sig field, enter the drug, sig, quantity, and refill amount. In the comment field, enter the justification for the medication. The medication will NOT be approved without proper justification and pharmacist approval. Some non-formulary medications are NOT stocked at USNH Okinawa and may take 14 to 30 days to arrive.
5. Prescriptions written for Schedule II medications must be filled within 30 days of the date written, except for ADHD/ADD medications. Quantity is limited to a 30 day supply, except for cancer pain, ADHD, ADD, or narcolepsy medications. Prescriptions for narcolepsy and cancer pain can be dispensed up to a 90-day supply. ADHD/ADD medications can be filled up to a 100-day supply.
6. Prescriptions written for Schedule III-V must be filled within 180 days. Quantity is limited to a 30-day supply and five refills or a 90-day supply with one refill. These prescriptions expire six months from the written date.
7. Prescriptions written for all non-scheduled medications must be filled within one year from the date written and unused refills after one year will be voided. Quantity is limited to a 90-day supply with three refills for all maintenance medications.
8. Birth control pills can be filled for six month supply at a time with one refill.
9. Outpatient Hours of operation:

Monday – Friday	0800-1900
Saturday	0800-1700
Closed Sundays and Holidays	

Inpatient Hours of Operation: 24 hours/7 days including holidays. Patients released from Emergency Room or discharged from Hospital are considered inpatient and will receive care
