

USNH Yokosuka Ombudsman Welcome Aboard Message

Dear USNH Yokosuka Service Member and Family,

Welcome to the USNH Yokosuka family! As military family members, we know that PCS moves can be a very busy and stressful endeavor. Overseas assignments can bring with them additional questions and concerns for the service member as well as their families. As Ombudsman, we are here to assist you in making the transition to Japan as smooth and problem free as possible.

Ombudsmen act as a liaison between the command and families, and communicate information about command and community resources to families. Your comments, concerns, or complaints will always be held in the strictest confidence, within the guidelines defined in OPNAVINST 1750.IG - the Navy Family Ombudsman instruction.

We are here to support you, our USNH Yokosuka family member, and we hope to be of assistance with any difficulties or concerns you may have. Please do not hesitate to ask questions, or request any information about command or community resources. Again, we are here to assist you, not only with your transition but also throughout your tour here at USNH Yokosuka. Welcome to Japan.
