

Ombudsman

An ombudsman is a volunteer, appointed by the commanding officer, who serves as an information link between command leadership and Navy families. Ombudsmen are trained to disseminate information up and down the chain of command, including official Department of the Navy and command information, command climate issues, local quality of life (QOL) improvement opportunities and "good deals" around the community. Ombudsman also provide resource referrals when needed. They are instrumental in resolving family issues before the issues require extensive command attention.
