Nurses Week Kids Art Event
Theme: Heroes Work Here

Do you have kids at home that would love to create a picture or card to celebrate Nurses Week? Your kids can color a picture, draw, create art on the computer or whatever inspires. Pictures will be displayed in the hallway of building 2 and 3 during Nurses Week, May 11-15.

Can’t get out of the house to drop off your kids art? No problem, scan it, take a picture, and submit via email.
