CAC Registration

Upon logging in with the Login ID and Password, the CAC in the computer will be registered with the profile. Do not attempt to log in with another User’s CAC in the computer.

Key Phrase

Key Phrases are used in two instances:
- New Users registering for the first time are prompted for a Key Phrase after clicking the New User link on the home page.
- When attempting to start a new survey, Users are prompted to enter a valid Key Phrase before completing the survey.

Roles in eDHA

Local Administrators
- Reset user passwords
- Create and distribute Key Phrases
- Generate reports that display completed/non-completed surveys, and provider-certified status.
- Import data from stand-alone database.

Providers
- Credentialed Doctors or IDCs
- Certify, view, and print deployment surveys and MHAs.

Provider Screeners
- View and print deployment surveys and MHAs

Users
- Create, edit, and print their own Deployment Health Surveys
- User login is always their full SSN with no spaces or dashes.

Requesting Access

To request access to eDHA as a Local Administrator, Provider, or Provider Screener, complete the OPNAV 5239/14 (SAAR) posted on the eDHA login page.
- Providers and Local Administrator’s SAAR forms should be signed by their Department Head.
- Provider Screener’s SAAR form can only be approved by the CO or XO.

Users create their own account using the Key Phrase provided by their Local Administrator or the eDHA Help Desk.

Reference Guides

To view a Guide, log in and click Help on the top right of the page.

Next Steps

After certifying the survey, a Provider or Provider Screener can print a copy of the certified survey to add it to the User’s medical record.

No Internet Access

There is a stand-alone version of eDHA for sites without access to the internet. For more information, email the eDHA Help Desk

Reservists

Reservist, Recruiters, and those geographically separated from a Provider or MTF, may call Logistics Health to complete the PDHRA or MHA over the phone: 888-PDHRA99 (888-734-7299)
