

Notice (007) NMCS D Opens Drive-Thru COVID-19 Screening/Testing **March 30, 2020**

The Naval Medical Center San Diego (NMCS D) drive-thru COVID-19 testing site began its first day of operations today at its main campus located at 34800 Bob Wilson Drive, San Diego, CA 92134.

NMCS D established the site to help ensure the readiness of U.S. Navy Fleet and Marine Corps commands.

Drive-through testing is done by appointment in coordination with operational commands only.

Drive-thru testing is not available to the general public, dependents or retirees at this time.
