If a specialist was used to determine a diagnosis, and is not necessary for ongoing care, DO NOT place an X next to that specialist. If a developmental pediatrician is a child’s primary care manager, but a pediatrician meets the needs, DO NOT mark developmental pediatrician. This section is not a wish list, but should reflect the providers that are necessary to meet the needs of the patient.

PRIVACY ACT STATEMENT

PRINCIPAL PURPOSE(S): Information will be used by DoD personnel to evaluate and document the special medical needs of family members. This information will enable: (1) military assignment personnel to match the special medical needs of family members against the availability of medical services, and (2) civilian personnel officers to advise civilian employees about the availability of medical services to meet the special medical needs of their family members. The personally identifiable information collected on this form is covered by a number of system of records notices pertaining to Official Military Personnel Files, Exceptional Family Member or Special Needs files, Civilian Personnel Files, and DoD Education Activity files. The SORNs may be found at http://dpclio.defense.gov/Privacy/SORNsIndex/DODComponentNotices.aspx.

ROUTINE USE(S): DoD Blanket Routine Uses 1, 4, 6, 8, 9, 12, and 15 found at http://dpclio.defense.gov/Privacy/SORNsIndex/BlanketRoutineUses.aspx may apply.

DISCLOSURE: Voluntary for civilian employees and applicants for civilian employment. Mandatory for military personnel: failure or refusal to provide the information or providing false information may result in administrative sanctions or punishment under either Article 92 (dereliction of duty) or Article 107 (false official statement), Uniform Code of Military Justice. The Social Security Number of the sponsor (and sponsor’s spouse if dual military) allows the Military Healthcare System and Service personnel offices to work together to ensure any special medical needs of your dependent can be met at your next duty assignment. Dependent special needs are annotated in the official military personnel files which are retrieved by name and Social Security Number.

AUTHORIZED FOR DISCLOSURE OF MEDICAL INFORMATION

By signing this authorization, you confirm you understand your sponsor will have access to the health information contained herein and in addenda. The sponsor may be held accountable for the accuracy and completeness of the DD 2792 and addenda and should review all pages prior to signing on page 2.

I authorize (MTF/DTF/Civilian Provider) (Name of Provider) to release my patient information to the Relocation or Suitability Screening Office and/or the Exceptional Family Member/Special Needs Program to be used in the family travel review process and/or in the Exceptional Family Member Program. The information on this form and addenda may be used for DoD and Service-specific programs to determine whether there are adequate medical, housing and community resources to meet your medical needs at the sponsor’s proposed duty locations.

a. The military medical department will use the information to determine recommendations on the availability of care in communities where the sponsor may be assigned or employed.

b. Information that you have a special need (not the nature or scope of the need) may be included in the sponsor’s personnel record or be maintained in the community office responsible for supporting families with special needs, if EFMP enrollment criteria are met.

c. The authorization applies to the summary data included on the medical summary form, its addenda and subsequent updates to information on this form. These data may be stored in electronic databases used for medical management or dedicated to the assignment process. Access to the information is limited to representatives from the medical departments, the offices responsible for assignment coordination, and at your request other military agents responsible for care or services. Summary data may be transmitted (e.g., faxing or emailing) using authorized secure media transfer.

Start Date: The authorization start date is the date that you sign this form authorizing release of information.

Expiration Date: The authorization shall continue until enrollment in the Exceptional Family Member Program is no longer necessary according to criteria specified in DoD Instruction 1315.19, or if family member no longer meets the criteria to qualify as a dependent, or the sponsor is no longer in active military service or employment of the U.S. Government overseas, or completion of assignment coordination, or eligibility determination for specialized services if that is the sole purpose for the completion of the form.

I understand that:

a. I have the right to revoke this authorization at any time. My revocation must be in writing and provided to the facility where my or my child's medical records are kept. I am aware that if I later revoke this authorization, the person(s) I herein name will have used and/or disclosed protected information on the basis of this authorization. My revocation will have no impact on disclosures made prior to the revocation.

b. If I authorize my or my child’s protected health information to be disclosed to someone who is not required to comply with federal privacy protection regulations, then such information may be re-disclosed and would no longer be protected.

c. I have a right to inspect and receive a copy of my own or my child's protected health information to be used or disclosed, in accordance with the requirements of the federal privacy protection regulations found in the Privacy Act and 45 CFR 164.524. I request and authorize the named provider/treatment facility to release the information described above for the stated purposes.

d. The Military Health System (which includes the TRICARE Health Plan) may not condition treatment in MTFs/DTFs, payment by the TRICARE Health Plan, enrollment in the TRICARE Health Plan or eligibility for TRICARE Health Plan benefits on failure to obtain this authorization. However, failure to coordinate accompanied assignments prior to OCONUS travel may result in ineligibility for TRICARE Prime status (does not pertain to civilian employees).

e. Failure to release this information or any subsequent revocation may result in ineligibility for accompanied family travel at government expense.

f. Refusal to sign does not preclude the provision of medical and dental information authorized by other regulations and those noted in this document.
