HUMANA MILITARY HELPS MAKE MOVING EASIER

Getting ready to move out of the TRICARE South Region? Your TRICARE eligibility doesn’t change when you move – but it may change your health plan options. Do not disenroll from any plan before you move. You’re covered by your current plan on your way to your new location.

Active duty service members and family members can simplify an important part of the relocation process with a call to Humana Military. Call 1-800-444-5445 to transfer your TRICARE Prime enrollment.

Provide your relocation info, including expected date of arrival. Within a few days, your new regional contractor will contact you to transfer your enrollment. Visit www.humana-military.com and search for “Moving” in the “Life Events” tab to learn more.

Remember to also update your address and other personal information in the Defense Enrollment Eligibility Reporting System (DEERS).
